

New England RNA Data ***- (NERD) Club Annual Symposium***

Friday, May 21, 2010

Ronald Breaker, Yale University, HHMI
“ Riboswitch: Relics from the RNA World ”

David Weinberg, David Bartel lab, Whitehead Institute, MIT, HHMI
“ The Inside-Out Mechanism of Dicer from Budding Yeasts ”

Curtis Huttenhower, School of Public Health, Harvard University
“ Large Scale Data Mining for Functional Genomics and Metagenomics ”

Sean Ryder, Biochemistry and Molecular Pharmacology, UMMS
“ Maternal Transcript Regulation in Nematode Embryogenesis ”

Brett Robb, RNA Biology, NEB
“ RNA Research at NEB ”

Symposium Location: New England Biolabs, Ipswich, MA

Bus Pick-up: HMS Vanderbilt Hall-10:30 AM
Whitehead Institute-10:50 AM

Bus Return from NEB- 5:00 PM

Please send email to duan@jimmy.harvard.edu to reserve a bus seat
