

# New England RNA Data - (NERD) Club Monthly Meeting

*Wednesday, October 26<sup>th</sup>, 2011*

6:00-8:00 pm

Harvard Medical School

Cannon Room, 1<sup>st</sup> floor, building C of Quadrangle

Sponsored by:

*“ Differential RNA Processing of Long Non-coding Transcript Species in Budding Yeast ”*

**Sebastian Marquardt**

Steve Buratowski Lab, Harvard Medical School

*“MIQE Challenges and Solutions - Reliable microRNA Expression Profiling and Biomarker Development”*

**Michael W. Pfaffl**

Physiology Weihenstephan, Technische Universität München,  
Germany

*“Initiating Replication on A Linear RNA Genome:  
Non-templated Initiation by the RSV Polymerase”*

**Rachel Fearn**

Microbiology Department, Boston University School of Medicine
